

## ***JCMS: Journal of Cinema and Media Studies*** **Author Agreement**

Title of "WORK":

Author ("I" or "my"):

I assert the following with respect to the WORK:

1. This is my original WORK and I have the lawful authority to enter into this Agreement. The work has not been previously published; if portions of it have been previously published, permission has been obtained for republication in *JCMS*.
2. The WORK does not infringe the copyright or other intellectual property rights of another. I have obtained permission, where necessary, to use all material within the WORK in which I do not hold the copyright and I will share that permission with the Publisher upon request. The WORK contains no material that is obscene or defamatory; or that violates another's privacy or other rights; or that is otherwise unlawful. The Author will provide the Editor of *JCMS* with copies of all relevant permission releases and provide appropriate credit lines within the WORK. The Author will provide the Publisher with appropriate alt-text and meta-data for hosted media when requested by the Editor in order to meet the Publisher's requirements for online hosting and publication.
3. I indemnify and hold the Publisher, its employees, and its agents harmless against any losses and other expenses, including reasonable attorney's fees, that result from my breach of any of these assertions.
4. If permissions are granted by SCMS for reprint of the entire WORK by others, the SCMS will alert the Author and alert them to any payment to which they may be entitled. SCMS in turn grants the Author a royalty free right of republication of the WORK in any book of which the author is the Editor or Author on the condition that proper credit is given to its prior publication.

I grant The Board of Regents of the University of Michigan ("Publisher") a non-exclusive, perpetual license to publish the WORK as part of *JCMS: Journal of Cinema and Media Studies* ("Publication") named above under copyright by the Society for Cinema and Media Studies ("SCMS"), and to act on my behalf to make the WORK discoverable and accessible itself and via third-party indexes, catalogs, etc. Final publication through the Publisher is at the Publisher's sole discretion.

I grant the Publication and the Publisher permission to use my name in association with the WORK in its published form and in any advertising and promotional materials.

I understand that SCMS retains copyright in the WORK and that this Agreement does not prevent me from using this WORK in any way that I lawfully wish.

This Agreement is made in Michigan and any legal disputes between the parties shall be resolved in a Michigan court of competent jurisdiction.
